

Appendix 1: Stakeholder Survey Questions

1. How are you associated with the University of Nebraska system? (Please check all that apply.)

Student

Staff

Faculty

Leadership

Not affiliated

Other (please specify)

2. With which college or department at the University of Nebraska Medical Center are you affiliated, if any? (Please check all that apply.)

College of Allied Health Professions - Medical Nutrition

College of Allied Health Professions - Medical Laboratory Science

College of Allied Health Professions - Physical Therapy

College of Allied Health Professions - Physician Assistant

College of Dentistry

College of Medicine

College of Nursing

College of Pharmacy

College of Public Health

Graduate Studies

Munroe-Meyer Institute

Other (please specify)

3. Have you ever volunteered or assisted with a SHARING clinic or any SHARING initiatives (Girls Inc., Teddy Bear Clinic, etc.)?

Yes (skip question 6)

No (skip to question 6)

4. In what capacity did you volunteer or assist with SHARING clinics or programs? (Please check all that apply.)

Student

Preceptor

Other (please specify)

5. What was your motivation for volunteering with the SHARING clinics? (Please check all that apply.)

It is required by my program/department

To help the underserved

To practice my clinical skills

To practice working on an interprofessional team

To educate students

I am interested in volunteering in general

Other (please specify)

6. Why have you not volunteered with the SHARING clinics? (Please check all that apply.)

I am too busy

I am not interested

I do not receive recognition for participation

I did not receive adequate compensation for participation

SHARING does not have a way for my department/program to participate

I did not know about the SHARING clinics

Other (please specify)

7. What do SHARING programs and/or services do well that should be continued?

8. What gaps exist in SHARING's programs and/or services that should be addressed?

9. From the following list, please indicate up to 3 services that SHARING should offer.

Acute medical care (such as an Immediate Care Clinic)

Chronic disease management

STD screening

Preventive outreach services (flu shots, blood pressure screening, etc.)

Health education outreach

Home visits

Traveling clinics

Psychiatric/behavioral health services

Physical therapy

Social services

Other (please specify)

10. To whom should SHARING offer services? (Please check all that apply.)

Uninsured individuals

Individuals who are at or below the 200% federal poverty level

Homeless individuals

Refugees/immigrant populations

Other (please specify)

11. In your opinion, what should the role of SHARING be at UNMC and in the community at large?

12. What should the role of your college/profession be at the SHARING clinics?

13. What additional comments do you have?

Appendix 2: Aggregated Stakeholder Survey Results

Free-response results are noted. In the table pertaining to the question. All other responses are multiple choice.

1. How are you associated with the University of Nebraska system? (Please check all that apply.)

Role	Number	Percentage of Total
Student	262	43.0%
Staff	33	5.4%
Faculty	342	56.1%
Leadership	14	2.3%
Other	2	0.4%
Total	610	100%

2. With which college or department at the University of Nebraska Medical Center are you affiliated, if any? (Please check all that apply.)

College	Percentage of Total (N=610)
CAHP - Medical Nutrition	1.0% (6)
CAHP - Medical Laboratory Science	1.3% (8)
CAHP - Physical Therapy	4.3% (26)
CAHP - Physician Assistant	5.6% (34)
College of Dentistry	5.7% (35)
College of Medicine	48.4% (295)

College of Nursing	11.3% (69)
College of Pharmacy	8.4% (51)
College of Public Health	7.5% (46)
Graduate Studies	5.2% (32)
Munroe-Meyer Institute	3.9% (24)
Other	4.3% (26)

Group	Percentage of Total (N=677)
College of Medicine Faculty	30.1% (204)
Medical Students	12.6% (85)
Pharmacy Students	6.4% (43)
Public Health Students	5.5% (37)
Nursing Students	5.3% (36)
Nursing Faculty	4.9% (33)
Dentistry Faculty	4.7% (32)
Physician Assistant Students	3.7% (25)
Graduate Studies Students	3.7% (25)

3. Have you ever volunteered or assisted with a SHARING clinic or any SHARING initiatives (Girls Inc., Teddy Bear Clinic, etc.)?

Volunteer Status	Percentage of Total (N=610)
Yes: Student	29.0% (177)
Yes: Preceptor	14.0% (85)
Yes: Undefined	0.2% (1)
Never volunteered	56.9% (347)
Total	100%

4. In what capacity did you volunteer or assist with SHARING clinics or programs? (Please check all that apply.)

Volunteer Role	Percentage of Total (N=262)
Student	63.7% (176)
Preceptor	32.3% (86)
Total	100%

5. What was your motivation for volunteering with the SHARING clinics? (Please check all that apply.)

Reasons for Volunteering	Percentage of total (N=263)
Help the underserved	72.6% (191)
Practice clinical skills	56.7% (149)
Interested in volunteering in general	49.4% (130)
Practice working on an interprofessional team	36.5% (96)
Educate students	36.1% (95)

Required by my program/department	28.9% (76)
Other	2.2% (6)

6. Why have you not volunteered with the SHARING clinics? (Please check all that apply.)

Reason for Not Volunteering	Percentage of Total (N=347)
Didn't know about SHARING clinics	59.1% (205)
Too busy	28.5% (99)
SHARING doesn't have a way for department/program to participate	12.1% (42)
Not interested	5.8% (20)
Receive no recognition	2.9% (10)
Didn't receive adequate compensation	2.3% (8)
Other (free-response)	19.6% (68)

Reasons for Not Volunteering (Aggregated Free-Response Themes)	Percentage of Total Responses (N=68)
Too busy	17.6% (12)
Not in Omaha	13.2% (9)
Schedule conflicts with clinic schedule	7.4% (5)
Professional inexperience	4.4% (3)
Too specialized for primary care	4.4% (3)
Full volunteer slots	1.5% (1)

No role for me at the clinics	27.9% (19)
Don't know how to get involved	11.8% (8)
Haven't tried to get involved	10.3% (7)
Do not believe it will be a productive experience	1.5% (1)

7. What do SHARING programs and/or services do well that should be continued?

Category (Aggregated Free-Response Themes)	Percentage of Responses (N=558)
Everything	3.6% (201)
Student experience	25.4% (142)
Education	2.5% (14)
Interprofessionalism	18.3% (102)
Patient Care	30.5% (170)
Clinic Processes/Services	7.9% (44)
Community Engagement	5.0% (28)
Student Leadership	0.7% (39)
Don't Know	6.1% (34)

8. What gaps exist in SHARING's programs and/or services that should be addressed?

Category (Aggregated Free-Response Themes)	Percentage of Responses (N=254)
---	--

Efficiency/Organization	21.3% (54)
Patient Volume	12.6% (32)
Patient Interaction	11.8% (30)
Interprofessionalism	11.0% (28)
Education	3.9% (10)
Clinic Mission	2.8% (7)
Additional Services	12.2% (31)
Clinic Location	5.5% (14)
Don't Know	7.5% (19)
Nothing	7.1% (18)
Other	4.3% (11)

9. From the following list, please indicate up to 3 services that SHARING should offer.

Type of Care	Percentage of Total (N=610)
Preventive outreach services	27.0% (165)
Chronic disease management*	21.6% (132)
STD screening*	16.4% (100)
Psychiatric or behavioral health services*	14.1% (86)
Acute medical care	13.6% (83)

Health education outreach*	11.5% (70)
Social services*	10.7% (65)
Physical therapy*	4.4% (27)
Traveling clinics	4.1% (25)
Home visits	2.1% (13)

* Asterisk indicates this service is already offered through SHARING clinics.

10. To whom should SHARING offer services? (Please check all that apply.)

Patient Population	Percentage of Total (N=610)
Uninsured	67.5% (412)
Homeless	67.4% (411)
At or below 200% federal poverty level	66.7% (407)
Refugees/immigrant populations	64.8% (395)

11. In your opinion, what should the role of SHARING be at UNMC and in the community at large?

Patient Population (Aggregate Free-Response Themes)	Percentage of Responses (N=104)
Anyone in need (“underserved”)	70% (73)
Indigent	3% (3)
Homeless	3% (3)
Uninsured	10% (10)
Cannot afford care	14% (15)

Primary Goal of Care (Aggregated Free-Response Themes)	Percentage of Responses (N=146)
Affordable*	14% (21)
High-volume	1% (1)
Health Education*	3% (5)
Comprehensive*	1% (1)
Primary*	8% (12)
Access*	22% (32)
Safety-net	11% (16)
Acute	5% (8)
Chronic*	4% (6)
Preventative*	10% (15)
Social services*	3% (4)
Bridge to UNMC*	6% (9)
Culturally competent	1% (2)
Quality*	10% (14)

Who is SHARING For? (Aggregated Free-Response Themes)	Percentage of Responses (N=471)
For Patients	53.1% (250)
For Students	19.3% (91)

For Healthcare System	4.9% (23)
For Community	9.1% (43)
Don't Know	10.4% (49)
Other	3.2% (15)

12. What should the role of your college/profession be at the SHARING clinics?

What should your college's Role be?	Percent Graduate Studies (N=16)	Percent Nutrition (N=3)	Percent Lab Sciences (N=1)	Percent Physical Therapy (N=20)	Percent Physician Assistant (N=25)	Percent Dentistry (N=33)	Percent Medicine (N=206)	Percent Nursing (N=41)	Percent Pharmacy (N=37)	Percent Public Health (N=25)	Percent Munroe Meyer (N=13)	Percent total responses (N=420)
To provide my discipline's care to the patient	19% (3)	-	-	35% (7)	48% (12)	12% (4)	20% (41)	32% (13)	51% (19)	16% (4)	23% (3)	25% (106)

13. What additional comments do you have?

Additional comments (Aggregated Free-Response Themes)	Percentage of Total (N=109)
Sharing is a valuable service for the community	17.4% (19)
Sharing's clinic flow and timing need to be improved for patient care and satisfaction reasons	5.5% (6)
Sharing should collaborate among Omaha's educational institutions	0.9% (1)
Sharing's should have more support from UNMC clinical departments	2.8% (3)
I don't know what these clinics are or how they are advertised	8.3% (9)
I wish I could be involved but can't due to schedule/distance/clinic hours/non-clinical vocation/specialty	10.1% (11)
More faculty should be involved in patient care and in supporting the clinic	4.6% (5)
Everyone needs more information about sharing (patients/students/faculty)	11.0% (12)
No comment/none/I don't know	23.9% (26)
Other	6.4% (7)

Sharing should collaborate with other community groups	0.9% (1)
Sharing is a good educational opportunity for students	4.6% (5)
Sharing costs our college a lot of resources	1.8% (2)
Sharing needs interdisciplinary work	1.8% (2)
