

Pre-experience Survey

Please complete the survey below.

Thank you!

In order to link your pre-survey and post-surveys while keeping your response anonymous, please provide a code consisting of one unique word followed by a two-digit number. Please write down or remember this code for the final survey.

- 1) Unique Code _____

- 2) I am a
 - Pharmacist
 - Physician
 - 1st or 2nd year medical student
 - 3rd or 4th year medical student
 - Medical student in my G-phase or gap year

- 3) I know what a continuous glucose monitor is and the different types available
 - Strongly Disagree Disagree
 - Neither Agree Strongly Agree

- 4) I know how to use a FreeStyle Libre 2 system
 - Strongly Disagree Disagree
 - Neither Agree Strongly Agree

- 5) I know how the FreeStyle Libre 2 system works including how it differs from a traditional glucometer
 - Strongly Disagree Disagree
 - Neither Agree Strongly Agree

- 6) FreeStyle Libre 2 sensors are easy to apply
 - Strongly Disagree Disagree
 - Neither Agree Strongly Agree

- 7) I feel comfortable instructing a patient how to apply the sensor
 - Strongly Disagree Disagree
 - Neither Agree Strongly Agree

- 8) I feel comfortable using the application or LibreView website to view and understand glucose data
 - Strongly Disagree Disagree
 - Neither Agree Strongly Agree

- 9) I feel comfortable teaching a patient how to use the phone application to analyze glucose data
 - Strongly Disagree Disagree
 - Neither Agree Strongly Agree

- 10) I feel comfortable making clinical decisions based on glucose data
 - Strongly Disagree Disagree
 - Neither Agree Strongly Agree

Post-experience Survey

Please complete the survey below.

Thank you!

In order to link your pre-survey and post-surveys while keeping your response anonymous, please provide a code consisting of one unique word followed by a two-digit number. Please use the code that you provided on the initial pre-survey.

- 1) Unique Code _____

- 2) I know what a continuous glucose monitor is and the different types available

<input type="radio"/> Strongly Disagree	<input type="radio"/> Disagree
<input type="radio"/> Neither	<input type="radio"/> Strongly Agree

- 3) I know how to use a FreeStyle Libre 2 system

<input type="radio"/> Strongly Disagree	<input type="radio"/> Disagree
<input type="radio"/> Neither	<input type="radio"/> Strongly Agree

- 4) I know how the FreeStyle Libre 2 system works including how it differs from a traditional glucometer

<input type="radio"/> Strongly Disagree	<input type="radio"/> Disagree
<input type="radio"/> Neither	<input type="radio"/> Strongly Agree

- 5) FreeStyle Libre 2 sensors are easy to apply

<input type="radio"/> Strongly Disagree	<input type="radio"/> Disagree
<input type="radio"/> Neither	<input type="radio"/> Strongly Agree

- 6) I feel comfortable instructing a patient how to apply the sensor

<input type="radio"/> Strongly Disagree	<input type="radio"/> Disagree
<input type="radio"/> Neither	<input type="radio"/> Strongly Agree

- 7) I feel comfortable using the application or LibreView website to view and understand glucose data

<input type="radio"/> Strongly Disagree	<input type="radio"/> Disagree
<input type="radio"/> Neither	<input type="radio"/> Strongly Agree

- 8) I feel comfortable teaching a patient how to use the phone application to analyze glucose data

<input type="radio"/> Strongly Disagree	<input type="radio"/> Disagree
<input type="radio"/> Neither	<input type="radio"/> Strongly Agree

- 9) I feel comfortable making clinical decisions based on glucose data

<input type="radio"/> Strongly Disagree	<input type="radio"/> Disagree
<input type="radio"/> Neither	<input type="radio"/> Strongly Agree

- 10) I enjoyed using the FreeStyle Libre system

<input type="radio"/> Strongly Disagree	<input type="radio"/> Disagree
<input type="radio"/> Neither	<input type="radio"/> Strongly Agree

- 11) Use this space to share any comments about your experience that you did not share during the group discussion. Especially if you were absent from the 2nd or 3rd session, please share a few sentences about your experience, surprises/challenges, new insights, or changes to your practice:

- 12) Please use this space to share any feedback you have with us about organization and design of the CGM program!

Appendix B

Session 2 Discussion Guide

- What features of the Freestyle Libre system do you find enjoyable?
- What were the greatest challenges you have faced using the FreeStyle Libre system?
 - Any technical problems using the sensor or phone application?
 - Physical problems with the device/adherence?
- What surprised you about it?
- Do you have any new insight into how your activity and diet affect your blood glucose?
- How will this experience change how you care for patients at Shade Tree and in your future practice?
